PRESSING ON MINISTRIES

PAST QUARTER

Dear Brethren,

It has been somewhat of a relaxing first quarter totally by design. 2024 took us all over the USA to more than 35 churches. Some revivals, some special meetings, some of the "All in the Family" series, and some for just a day, but all were spirit-filled and I believe to the glory of God. So, some much needed time at home, with family and friends filled the gaps nicely. I was blessed to present the "All in the Family" series in my home church. We realize that churches are made up of families, and if the Devil wants to tear apart the church, he only need start with the families. We also know he has done a great job of that. We are currently packaging the 7-part video series in order to make it available to anyone that wants it. We just returned from preaching a revival with Pastor Gene Kim in Berkeley, CA. It's just what we needed before embarking on a very busy year coast to coast! We praise the Lord for the many decisions made.

NEXT QUARTER

We are preparing for a very busy rest of the year as we head to MN, IA, OH, and NY. We are excited to be visiting old friends as well as making new ones. We are blessed to have a mechanic and overall handyman in our home church that makes sure our motorhome gets us from point A to point B and beyond. Without him I don't know how we would afford evangelism. Many campgrounds are now over $100 per night! You can imagine the setback should the motorhome get a flat, need engine repair, or get in an accident. Only by the grace of God, and the help of the brethren, are we able to do what we do.

NEWS

We were blessed to pick up 2 new churches, as well as a family, to help support our financial needs. Should the Lord lay this upon your heart we would greatly appreciate it. It would go to our sending church below. We know that economic times are tough on all of us at this time. Thank the Lord that He owns the cattle on a 1000 hills, and the hills to boot! Jenny is singing and playing in every church we attend. She is also teaching ladies' meetings when asked, even though she didn't know she could teach. Please continue to pray for us as we labor for the Lord in our ministry of evangelism. We are praying for you as well!
