PRESSING ON MINISTRIES

1st QUARTER 2026

Dear Brethren,

Our first quarter of 2026 took us through TN, TX, OH, and MT. We are thankful for all the pastors that have placed their trust in us to minister to their congregations. We were able to minister in four new churches this last quarter. The travel can sometimes make one very weary, but that is all forgotten when we see the gratitude of God's people for our ministry. If the Lord can use us to make a difference, then it's all worth it. We know in the end times that men will not endure sound doctrine, and the love of many shall wax cold. But it's encouraging to see so many of God's people holding fast, as the world, the flesh, and the Devil, try to pry our hands off that old black book. I was unaware that I was being photographed while preaching in Ohio. They may confirm that I am adamant about Pressing On! *My righteousness I **hold fast** … **hold fast** that which is good … **Hold fast** the form of sound words … **hold fast** the profession of our faith … that which ye have already **hold fast** … **hold fast** the confidence … **hold fast** and repent!*

We have seen people saved, revived, and recommitted over the last quarter. The busiest part of our year remains ahead of us. In Montana I was able to preach in the jails. It was a blessing to help those less fortunate. I told them that the only difference between them and me was that they got caught. I surely could have been where they are had it not been for the saving grace of our Lord Jesus Christ. My wife Jenny continues to sing and teach the ladies. She's a definite homebody but knows that her sacrifice in being away from her home is for her Lord and Savior.

The "All in the Family" series was officially released in February. We have been blessed to supply it to about 100 families in the last month. It contains a booklet with all the scripture references, an area for note taking, and pastoral references from churches where it's been taught. The flash drive contains 7 hour long videos on the family.

Next quarter will take us through CA, NM, CO, TN, MI, and NY. Please pray for us as we travel throughout the USA reviving the Saints, reaching the Lost, and kicking our adversary in the teeth! Our 2026 schedule is attached to this email. We appreciate your prayers. Thank you to those that financially contribute to help make all of this possible.
