PRESSING ON
MINISTRIES

2nd QUARTER 2026

Dear Brethren,

Our second quarter of 2026 took us through CA, NM, CO, TN, MI & NY. We are thankful for all the pastors that have placed their trust in us to minister to their congregations. We are currently in Rochester, New York; my hometown. It's been a real blessing to see old friends and make new. As we travel, we are able to take in all the Lord's beautiful creations. It's been a sobering reminder to us that as beautiful as His creation is, it's nothing compared to the beauty of the Creator. Though most churches have abandoned the old-fashion altar, it was so good to see many of God's people still willing to humble themselves and making the long trek of humility down the aisle seeking true revival.

Isa 57:15 For thus saith the high and lofty One that inhabiteth eternity, whose name is Holy; I dwell in the high and holy place, with him also that is of a contrite and humble spirit, ***to revive the spirit of the humble***, and to revive the heart of the contrite ones.

The "All in the Family" series was officially released in February. Many have gotten copies for themselves as well as family and friends. Some pastors use them for premarital counseling and visitor gifts. The series contains a booklet with all the scripture references, an area for note taking, and pastoral references from churches where it's been taught. The flash drive contains seven one-hour long videos on the family. Just plug it into your smart TV or PC and go! As I preach this series it is a step into the past for the elderly that remember the "Norman Rockwell" family that can only exist when God's principles for the family are adhered to. It has brought many to tears at the thought of yesteryear. Mark 9:23 Jesus said unto him, ***If thou canst believe, all things are possible to him that believeth.***

This is definitely the busiest part of our 36 meetings this year. My wife Jenny continues to sing, play and teach the ladies when asked. She's a definite homebody but knows she is privileged to serve her Lord & Savior Jesus Christ. Next quarter will take us through NY, MD, PA, VA, TX, AZ, NM, IA, WI. Please pray for us as we travel throughout the USA reviving the Saints, reaching the Lost, and kicking our adversary in the teeth! Our 2026 schedule is attached to this email. We appreciate your prayers. Thank you to those that financially contribute to help make this possible.

With the cost of everything going through the roof, we would surely appreciate your financial support should the Lord lay that upon your heart. Even more so, we would appreciate your prayers. There have been many close calls on the highway and we can only thank the Lord when we come out of them safely. It's a total walk of faith. When most have retired at 67 years old, we are just getting started on this new journey. I guess this is "Occupy till I come"! May the Lord continue to soften hearts, starting with mine, so that His perfect will may be manifested in all our lives.
