PRESSING ON
MINISTRIES

Sept 2025

Dear Brethren,
This last quarter started off with me having to conduct the funeral for my very best friend, Brother Greg Rhinehart, pastor of Bible Believers Baptist Church in Panama City, Florida. No man has ever invested more into my life, while allowing me to be a part of his. A friend that sticketh closer than a brother! I miss him dearly but will see him again soon. I am thankful for the two decades of memories we had together.

In July we ministered in Rochester, New York (my hometown), and then moved on to Wisconsin, in both having conducted the All in the Family series. We preached revivals in both areas as well. The response to the preaching was very encouraging as saints were so very kind to express their gratitude and refreshing.

My wife, Jennifer, has blessed so many with her godly singing and teaching. I am thankful that the Lord gave me help meets, in both my pastoral and evangelism ministries. I thank God for Sisters Pam & Jenny.

In August we preached a revival in Sussex, New Jersey. Solid Rock Baptist Church gave us a revival at the same time! Jenny and I got to visit Ellis Island and the Statue of Liberty for the first time. If that doesn't make you thankful for growing up in America nothing will. Then I started my long out West tour, preaching in Memphis TN, Las Vegas NV, and am now in San Diego CA. While in San Diego, Pastor Angel Vasquez and Pastor Josh Stephenson, had an out-of-the-box idea, to put my past, pre-salvation, bodybuilding experience to use. They advertised me teaching a seminar at a vocational training school for kids wanting to get their GED's. For many of these students it is their last resort before ending up in jail or back on the streets. No one expected the results we got. Read the attached letter which was written by Pastor Vasquez. I salute these men for creating this unique approach to combining physical & spiritual fitness! I conveyed to the class that physical fitness is earned, as it is a lot of hard work. But our spiritual fitness starts with a gift, because someone earned it for us. We had four men raise their hands for an invitation to accept Jesus Christ as their personal Lord and Savior. The standing ovation they gave us as we left was awesome!
Thank you very much to our supporting churches and individuals that make all of this possible for others.
