3rd QUARTER 2026

Dear Brethren,

Our 3rd quarter travels took us through Upstate NY, Pennsylvania, Maryland, Virginia, Texas, Arizona, New Mexico, Iowa, and Wisconsin. The meetings have been spirit-filled with many finding hope and courage to endure the hardness of our times. It's also a blessing to sit with pastors and encourage them to keep fighting the good fight of faith. These are some very hard times, which we know will only get harder as the appearing of our Lord draws nigh. We need to exhort one another daily. Since June 1st we have been gone for 16 weeks. At the age of 68 life on the road gets more taxing, yet it is nothing in comparison to what our Lord went through for me. The long slide on our RV stopped working, which made for some very tight accommodations for my wife, myself, and our kitty-cats. We praise the Lord for John Ledford and Paul Karratti of Faith Baptist Church in Cottonwood, AZ for spending countless hours designing and installing a system to help me avoid a multi-thousand dollar repair. After they fixed the slide, my wife shouted, "We're living in a mansion!"

The All in the Family series has been very well received. We have distributed hundreds of kits. If they only help and salvage one family, it was all worth it. Churches are made up of families. If the Devil can destroy the home, he can destroy the church. The following testimonial was from Pastor Jeffrey Hite of Bible Believers Baptist Church in Stowe, PA. There was not one night that the altar was not filled with people from end to end. It warmed my soul to receive this.

"This family meeting was such a tremendous blessing for our church! Brother Paul Iannello taught on many things that most pastors or evangelists never mention or are hesitant to hit on. We as a church are so grateful for the meeting and the lessons that were taught! There are several new couples in our church that needed these classes desperately and have most definitely grown from them. Even the older couples in our church have grown and learned from them. These meetings were such a blessing and came at the perfect time! I can only pray that more Christians have the opportunity to hear this series and apply the principles taught to their lives. It will change them and their walk with the Lord and their families will grow sweeter. May God Bless you for preaching and teaching the Word!" Pastor Jeffrey Hite Bible Believers Baptist Church Stowe, PA

Jenny has been teaching the ladies and singing every night. Just to watch her personal growth has been a thrill to me. Please pray for us. The cost of travel today is outrageous; especially at 7 mpg with an RV towing a car. We appreciate those that support Pressing on Ministries. Please ask the Lord if He would have you help us. May God bless you for it!
