PRESSING ON MINISTRIES

4th QUARTER 2025

Dear Brethren,

4th quarter had us in Arizona, California, Arkansas, Tennessee, New York and Kentucky. Pastor James Dutton of Bible Baptist Church in Chino Valley AZ had us in for the third year in a row. As always, the meeting was spirit filled. What a blessing to see old friends still serving the Lord with joy in their hearts. I was also honored to be asked by Pastor Shawn Scribner of Heritage Baptist Church in Yuma AZ, to be their keynote speaker at his yearly meeting. It was wonderful to have met so many wonderful saints as well as many pastors for the first time. I then had the privilege of preaching Bible Baptist Church's Men's Meeting for Pastor Toby Wolski in Sylmar, CA. In a world loaded with males, but lacking in men, it blessed me to see a group of men that not only could handle the preaching but loved it at the same time. In November, we traveled to my home state of New York to preach our "All in the Family" series at Central Baptist Church in Massena, NY. Pastor Denton Walker has done a fabulous job there since taking the church. The folks were friendly, hospitable, charitable, and just a blessing to be with. People often get the wrong impression of northerners. Well, hospitality doesn't only exist down South. It's alive and well in Upstate New York. We had one man so convicted by the message to fathers (Make Room for Daddy), that he got up from his seat, walked quickly to the back of the church sobbing. After church we talked with him and he committed to leave his girlfriend, reconcile with his wife, and raise his boys like the man he should be. It just so happened that this same man was in the gym with me the day before with his girlfriend. The Lord maketh no mistakes. Since that meeting, Pastor Walker tells me that the man has reconciled with his wife, is in counseling with the pastor, and the family is in church together. Jenny is singing and playing in every church we attend. She is also teaching ladies' meetings when asked, even though she didn't know she could teach (lol). We have 31 meetings thus far in 2026. I've attached our 2026 schedule should you be interested. We earnestly covet and appreciate your prayers!

SUPPORT

We were blessed to pick up 1 new church, as well as a family, to help support our financial needs. Some even thought to send extra as a Christmas gift. I am truly moved at the thoughtfulness of those I am blessed to call friends. We lost a church as well due to financial difficulties. We totally understand the financial struggle you are facing. As you all know, the dollar does not go as far as it used to. Though the love offerings have been generous and remained consistent, prices have not. RV campgrounds that used to cost $50 per night are now $80-$100 per night. Food is out of sight and airfares are sky-high (pardon the pun). Should the Lord lay supporting our ministry upon your heart we would greatly appreciate it. It is currently our only source of income other than Social Security. Please continue to pray for us as we labor for the Lord in our ministry of evangelism. We are very thankful and praying for you! Until the trumpet sounds, may the Lord find us all still Pressing On!
